Dear Students,

I feel immense pleasure in presenting before you the another edition of News Letter of Govt. Degree College Ramnagar. All programs including debates, seminars, celebrations, NSS & NCC activities on and off the Campus, Picnics etc are the main content of this brief publication. The college has the privilege of having a healthy, harmonious ambience and rich values which have played pivotal role in shaping the future of innumerable students. Our mission is to transform students into rational thinkers, competent workers, law abiding citizens and spiritually enlightened individuals.

With proud legacy of 14 years, the college has excelled in every field. Many students have registered their presence in the merit list of different University and others have brought laurels in cultural activities in university level. Students educated from the college have carved a niche for themselves in various fields at national and international levels.

Dear students, in this era of cut throat competition, it is of paramount importance to be equipped with appropriate knowledge, habits, attitudes and values leading to holistic development. Co-curricular and extra-curricular activities organised by various clubs and societies facilitate the process of creative and critical thinking. They not only inculcate social and moral values, compassion for nature, pride for Indian culture and tradition and awareness for one's rights and duties but also make students good human beings and confident leaders. I intently believe that you would develop versatile personality during your stay in this temple of learning. To be successful in life, have ambitions and define your goals clearly. Discipline and hard work is the key to success. Be regular in your classes and focus on your goals. Your concerted efforts with the able guidance of your teachers would definitely provide you a blissful and successful life.

I, on behalf of Ramnagar College family welcome all the students and wish you all the best for achieving greater success and scaling new heights in the coming session.

With blessing and warm wishes.

Dr. Y.P. Kundal
Principal
