expectations and aspirations from the students and stakeholders demands intuition to be responsive and dynamic. It is necessary imperative for the institution to know the level of satisfaction and identify the gaps and enhance quality. Feedback is an effective mechanism in understanding the changing needs of the students and stakeholders, thereby helping in designing appropriate Interventions. The feedback mechanism involves collection of feedback from the stakeholders, to monitor the academic content and processes thereby achieving quality sustenance and progressively quality enhancement. The intuition employs structured method of collection of feedback from students, parents and through well-designed online questionnaire which facilitates objective Analysis. Open ended questions are also used in some of the methods for qualitative feedback. The suggestion Boxes are another means of collecting feedback from students on a regular basis. The suggestion boxes are placed in common places in the college blocks. Informal Feedback is collected by the Principal and the faculty members by random talk with the students. The collection of feedback through online mode facilitates students in providing feedback in an atmosphere of absolute freedom. The feedback is collected on the curriculum design, syllabi, students' knowledge and skills, innovations in learning etc. The focus is to evaluate each teachers teaching quality, functioning of the various units and the Physical facilities of the Institution. The Feedback collected is analyzed by Internal Quality Assurance Cell (IQAC) of the college and the report is submitted to the Principal of the college for consideration and necessary action. The Principal and the IQAC chalk out the action to be taken on relevant points highlighted in the said reports. The action ranges from, counseling and mentoring to teaching staff to corrective actions and improvements. Corrective

action is implemented after discussion in Departmental and IQAC meetings. Constructive suggestions given by students, alumni and parents are also discussed in the departmental meetings and implemented after the approval from IQAC. Feedback collected from the stakeholders is represented time to time at various levels during the meetings conducted by Jammu Kashmir Higher Education Department (JK-HED), Director Colleges, Nodal Principal, and Syllabus setting organized by Board of Studies (BoS), University of Jammu.

2.3.2 - Students mentoring system available in the institution? Give details. (maximum 500 words)

A mentor is a role model who offers support to another person. Mentoring is a process in which a resource person who has knowledge and experience in some particular area shares his expertise with the person being mentor. Unlike the traditional teacher centric education system GDC Ramnagar practices student centric, supervisory and friendly mentoring system. It is more flexible and assessable. Acting as a role mode mentor spent time with individual students, encourage them, listen their problems, make suggestions and try to do best to drawing out the inner knowledge and skills. A mentor is guide who can help the mentees to find the right direction, to set the goal, and to channelize the knowledge properly. A student can find the psychological support and social equity only by the effective role of mentoring. The goals and objectives of the student mentoring system •To help in identifying the carrier path of the students and support them for their personnel growth. •To

increase the teacher students contact hours. • To encourage the advance learners and to bring out the slow learners to compete To prepare students for the competitive world. • To shape the students into confident graduates with excellent leadership, communication critical and analytical thinking, professions, and other skills important to the transition to the world of work. To achieve these objectives and goals, GDC Ramnagar with the efforts of able faculty members tries to develop cordial environment for the learners where every individual students is in direct contact of the mentors besides the classroom through various platforms. The institution has taken many steps and brought reforms in teaching learning system by engaging students in open discussion through various online platforms such as Google Classroom, Zoom Classes, Google Meet, WhatsApp groups etc. Every faculty member tries to involve the learners in bilateral teaching process in the classroom and strive them to become knowledge seeker. Students are evaluated from time to time through Internal Assessment Examinations as well as regular and randomly conducted class tests to assess their performance and suggest remedial actions for problems related to their academic progress. For the students categorized as slow learners, extra classes are conducted, and teachers are assigned to monitor their improvement and suggest alternative methods of academic development. For advanced learners, their current academic progress and future prospects are concurrently developed to provide them a better academic and professional future. Beside the formal teaching curriculum many clubs and societies are also working in the institution for the purpose to conduct various Intra and Inter-collegiate cultural and educational programme from time to time. Students are encouraged to participate in Inter-College, University-level and State-level competitions to showcase their talent and skills. These activities contribute to bring out talent among students, which helps to build overall personality by developing communication skills, leadership qualities and team spirit.

The Internal Assessment Tests are being conducted as per the schedule chalked out by the examination committee of the college Students who miss the assignments due to ill health or participation in extra-curricular activities ootherwise are given an opportunity to give the assignment on an alternate date. In addition to period schedule based assessment, continuous progressive assessment is also performed through regular as well as random Class Tests, quiz competitions, projects etc. To ensure transparency, students are asked to write the Internal Assessment Tests in Answer Booklets provided by the college. After evaluation, answer sheets are available for perusal by the students and are discussed by concerned departments with students to give feedback on areas in which progress can be made. The results are constantly monitored by the class teacher to ascertain whether learning outcomes for all courses are being achieved. It provides an opportunity to re look at and modify teaching strategies if the students are not performing well. Results are recorded for reference purposes and are also communicated to the affiliated university in a timely manner for preparation of final results.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college is affiliated to the University of Jammu and hence the pattern prescribed by the university is strictly followed. Based on the norms set by the University, an academic calendar is framed by Internal Quality Assurance Cell (IQAC) and approved by the Principal which includes the schedule for the conduct of Internal Examination and the dates for other curricular and cocurricular activities. Students are informed well in advance about the academic calendar of the Institution through Admission brochure. The Institution adhere the Academic Calendar of University of Jammu for the conduct of External Evaluation Examination As per the CBCS, Term End Examinations are conducted twice in a year for each academic year and once for each respective semester. For the conduct of Internal Exams, an academic calendar is framed for each semester by the Examinations Committee with the consultation of all HODs and student's representatives. The Internal Examination is conducted twice in an academic year, and once for each semester. Schedule for various activities such as cultural program, seminar, workshops, tutorial class, academic tools and extension activities, NSS,NCC and sports events are also included in the academic calendar for all round development of the students. Theory and Practical Time tables are prepared facilitating the teachers to avail sufficient time for each subject as per the workload allotted by UGC. Theory and Practical Time Tables for each semester are displayed on the Notice Boards and also circulated among the stakeholders. Regular staff meetings are conducted to ensure adherence to the schedule given in the academic calendar.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

In order to ensure decentralization of power and participative management of the institution by all the stakeholders' viz., Chair (Principal), Staff (Teaching and non-teaching) and Students, following mandate leadership and key roles have been assigned at different rungs of ladder so as to provide a second rung of leadership. Senior most faculty member of different subjects has been assigned the responsibility of 'Head of departments' so that working of the concerned individual departments can monitored easily. In order to involve the stakeholders in the common administrative and academic activities various committees have been framed in the beginning of every academic year. These committees are chaired by experienced and senior faculty members involving the members from different departments including teaching and non-teaching staff. Any proposal involving any sort of activity coming from any quarter viz., administration, staff, management, chair or students is subjected to recommendation of the concerned committee for thread bare discussion on its procedure, codal formalities and significance which is then executed by chair and management on the basis of recommendations so made. Two practices of

decentralization and participative management during the academic year 2019-20 are mentioned below: 1. Students Participation farewell party to final semester students. Student of fourth semester proposed for organizing a farewell party for 6th semester students. Participation of Faculty: Committee of faculty constituted for organizing farewell party, in consultation with management students finalized the dates, program details and budget and submitted the recommendations to the chair. Participation of Chair: Principal accorded approval to the recommendations and passed the orders to the concerned committee and management for necessary preparation besides releasing the required amount. Joint Management: Students contributed arranged the whole event. 2. Development Sports Field. Role of Physical Department: Keeping in view the necessity of encouraging the sports/physical activities among the students and addressing the gender equity issue, department of Physical Education proposed the development of separate indoor gym for girl's students. Role of Chair: Chair approved the proposal and forwarded the same to Sports Committee for execution. Role of Sports Committee: Sports committee executed the proposal by developing the separate indoor gym for girls.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	The College follows the University schedule for the process of admission duly notified in print media. Information brochure containing the information of availability of courses, staff, Do's and Don'ts along with academic calendar is provided by the college. Merit list is prepared according to the policy of reservations and other governing rules of Govt. Students are given fair chance to be admitted in the college and the economically weaker students are helped through Students Aid system of the college along with govt schemes of scholarship while seeking admission as well as to pursue their chosen course.
Industry Interaction / Collaboration	Institution works in collaboration with civil administration, civil society, Universities, Industrial Units and Scientific Institutes. Either experts from these organizations are called for sharing their expertise with the stakeholders or student and staff is sent to these for getting training. Training of NCC cadets, organizing seminars, College managing visits of students to fish farm, animal husbandry, poultry farm, sericulture unit, bee keeping industry, sheep farm, Soil testing laboratory and Industrial visit to battal ballian Udhampur has

	become a regular feature of the institution.
Human Resource Management	 Staffs are recruited through JKPSC and JKSSB. 2. Need based casual workers are appointed after proper screening through college development committee. Staff is evaluated and promoted through Annual Progress Reports. Based on performance and expertise different committees of staff are made to assign them various charges of management and academic functions. Staff is trained through sending them to attend various capacity building programmes like orientation and refresher course. 6.Grievance redressal, anti-ragging and sexual harassment cells are regularly maintained. 7. Student volunteers are prepared through NCC and NSS.
Library, ICT and Physical Infrastructure / Instrumentation	1. More books are purchased and separate internet connection is provided. 2. Some staff members are provided with computer system and printers besides a separate cabin to some faculty. Purchase of modern instruments in the laboratories for practical purpose is encouraged besides adding the routine one.
Examination and Evaluation	Students are elevated and graded through internal and external examinations (both theory and practical). 2. Internal evaluation is carried out by the concerned teacher through various modes like written tests, seminars, quiz, project reports, field visit reports, MCQs and viva voce. Result is displayed and showed to the students with clear cut marking and pointing of mistakes. Students desirous of making improvement are given chance.3. External evaluation is done by university where students and evaluator are always unknown to ensure unbiased and fair evaluation. In external practical examination the examiner from other institution is invited for unbiased evaluation.
Teaching and Learning	1. Student centric, IT enables, interactive, collaborative and independent learning is encouraged in the institution. 2. Critical thinking is nurtured among students to transform them into lifelong innovators through brain activity, group discussions, problem solving, role play, case

	<pre>studies, class seminars and question answers methods. 3. Creative skill of the students is evoked through wallpapers, college magazines, newsletters, cultural and sports activities. 4.0ther than class teaching students are also delivered through WhatsApp groups, google classes, zoom and by providing internet facility to access the e-resources. 5. Learning through field visits/subject concerned tour and participation in skill activities is encouraged.</pre>
Curriculum Development	HoDs of various departments participate in annual meetings of "Board of Studies" organized by University of Jammu to evaluate and refine the syllabus to make it more effective for students. 2. Annual academic calendar is prepared and is reflected in Information Brochure of the college at the time of admission of students. 3.Certificate of completion of syllabus is submitted to university for conducting University Examination.4. Subject wise Field visits/trips/subject tour, students' seminars are included in the curriculum. 5. Students are evaluated through Quiz, Seminars, Internal and External Assessments and examination.

Women Development Cell has Organised One day program on "Health and Hygiene" under Mission "Save Women"	03/03/2020	04/03/2020	150	50

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

As such no renewable energy sources of electricity is there in the college. In future we will install solar panels as alternate source of electricity in the college. As compared to conventional light bulb, LEDs significantly reduces energy consumption and thus help save money by lowering electricity bills. As LEDs bulbs consume less power per unit of light emitted. This reduces green house emissions from power plants. Thus, College administration took environment friendly step and replaced the traditional /conventional energy/ light bulb with LEDs bulbs.

7.1.7 - Initiatives taken by the institution to make the campus eco-friendly (at least five)

The Campus is situated at low terrain of Tehsil Ramnagar. Its having a very rich vegetation of pines tress. To make the campus Eco-friendly, college administration has taken remarkable initiatives mentioned below: 1. To develop wrapper free campus, dustbins were installed on whole of the campus to achieve the target. 2. Plants nursery and flowers beds and to make the campus green, College administration carried out massive plantation derive. 3. College developed a well maintained drain system. 5.Colleghas developed a well maintained Paper free campus by use of technology.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Practice - 1. Class room teaching through lecture and group discussion is our main goal. The main objective of this practice is to make the teaching learning effective and result oriented. It provides a platform to the students to expose their hidden talent, knowledge and experiences. All the student takes part in group discussion which creates interest among the students and in this way they engage themselves in taking part in debates, symposium, seminars, dialogue, and other activities. This practice develops leadership qualities among the students. As the main motto of all this is to prepare the youngsters/students to safe guard the national interest and serve the nation. Our college located in remote area despite this the college has produced academicians, teachers and scholars of the repute. As many as 20 Subjects in five different streams are being taught at UG level. Besides this lot of skill based courses are also taught. This college provides a platform to the youngsters through many literary and cultural committees, NSS, NCC wings. College provides best possible facilities to both the male and female students. The college administration provides bus facility to all such students, male and female who apply for this facility. Practice - 2. The college has well established physical education department which provides physical training and sports to the students. The college has been playing an important role to the development of sports infrastructure and enriching sports culture in the college campus. This is due to dynamic approach of the department, many students excelled in different activities. Evidence of Success: By introducing the above mention practice, the quality of education is going to be improved year by year. The main aim of healthy teaching learning process and sports/cultural related activities is to make people good human beings with skill, expertise and self

dependent. The faculty tries its level best to inculcate the spirit of tolerance patience, positive thinking, reasoning, patriotism etc. among the students. The practices we are talking about have proved beneficial and result oriented. Though NSS plays an important role in every sphere of life. Every college and institution established the NSS unit. It is a National Service Scheme. We see in many institutions, the Authority has made it compulsory for the students to join the organization to serve the nation. The main motto of establishment of this organization is to train the youngsters to serve the nation with enthusiasm and dedication. The volunteers perform various activities and provide service at various levels from institution to society. They always come forward to help the needy in situation like earthquake, flood, traffic accident, emergency in hospital etc. They are always ready to donate blood when such situation arises. Sometimes, they help the traffic police to control the traffic to make the flow of traffic easy. Besides this, our college has a unique feature/Distinctiveness regarding the community service to visit the area where old age people need their help most. The college administration mobilizes the NSS Volunteers to reach out the old age people who are neglected by their wards, relatives and society as well. The NSS Volunteers camp the area and try their level best to provide the help to needy. Our NSS volunteers also aware the people organizing the awareness camp regarding the duties and responsibilities of the individual, individuals and society towards the old age

people.
