

# GOVT. DEGREE COLLEGE RAMNAGAR

## COMPOSITION OF THE INTERNAL QUALITY ASSURANCE CELL(IQAC)

*The IQAC in the College came into existence on 01-08-2015. It was reconstituted, as per revised guidelines of NAAC 2018. The IQAC is a nodal agency of the College for ushering in the era of total quality management by working out intervention strategies to enhance overall quality in the institution. The Cell has been established in pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC), Bangalore, for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education. The NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post- accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. The IQAC will make a significant and meaningful contribution in the post-accreditation phase of institutions.*
