### Academic Year

27 responses

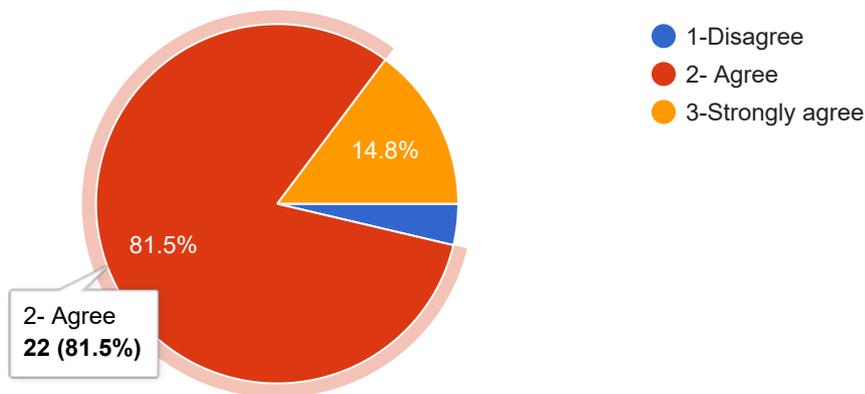

Dear faculty members Kindly fill your feedback on curriculum, teaching, learning and evaluation of the course you are teaching.Score between 1 and 3 (1-disagree, 2- agree.3-strongly agree)

### Curriculum is based on needs of stakeholders

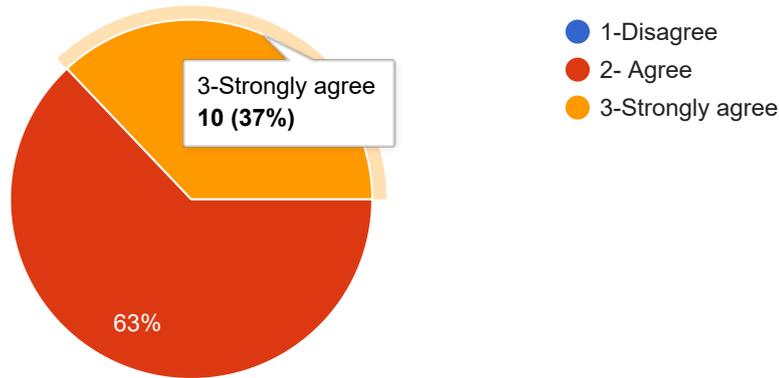

27 responses

Objectives and outcomes of course are well defined are clear to faculties and students.

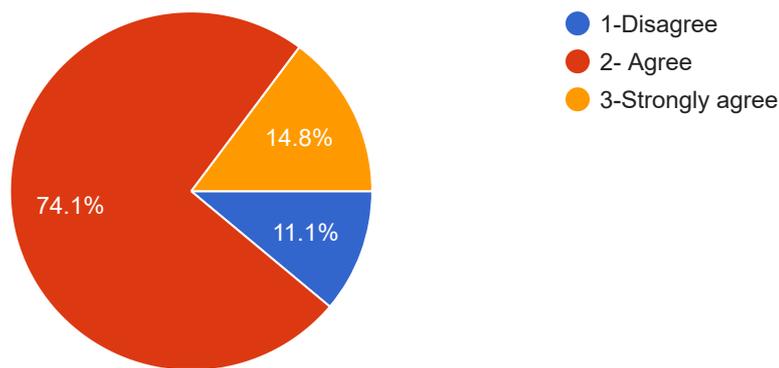

27 responses

Sufficient number of prescribed books are available in library.

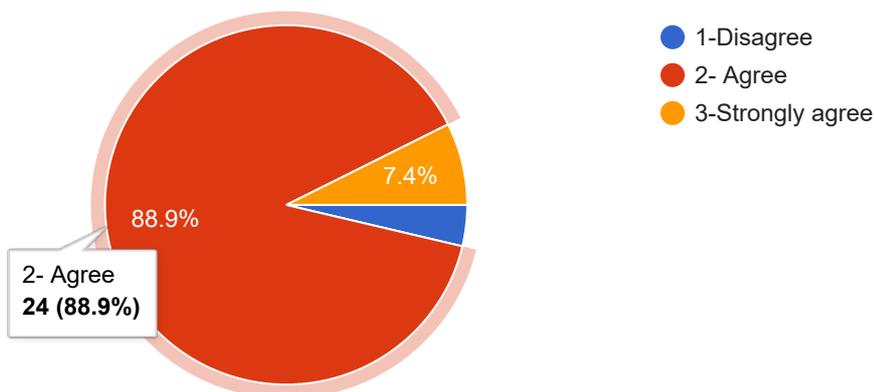

27 responses

The course Curriculum has a good balance between theory and application.

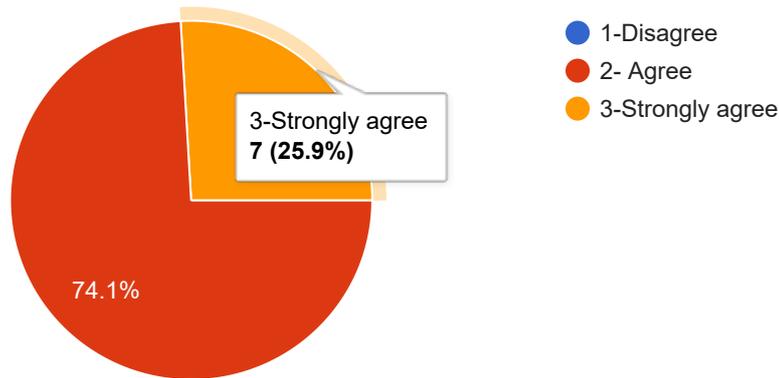

27 responses

The course Curriculum has made me interested in the subject area.

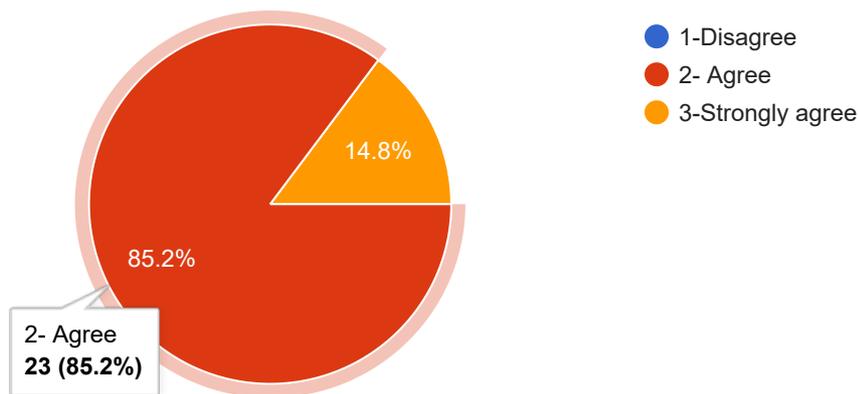

27 responses

Infrastructure facilities such as Staff/faculty rooms, class rooms and reading rooms are available in the Department/College.

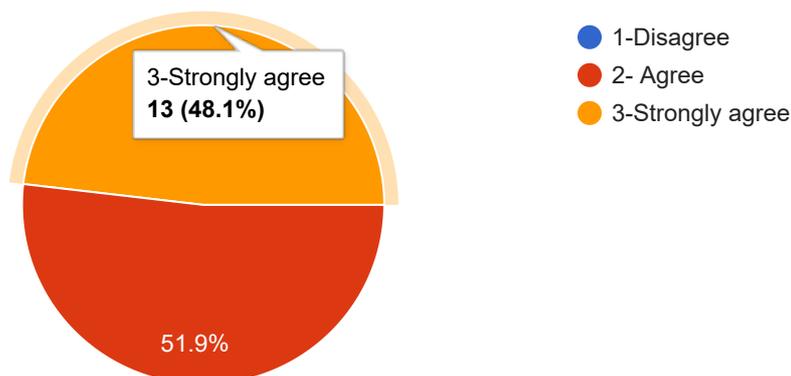

27 responses

Internal and External examinations are conducted well in time with proper coverage of all units in the curriculum.

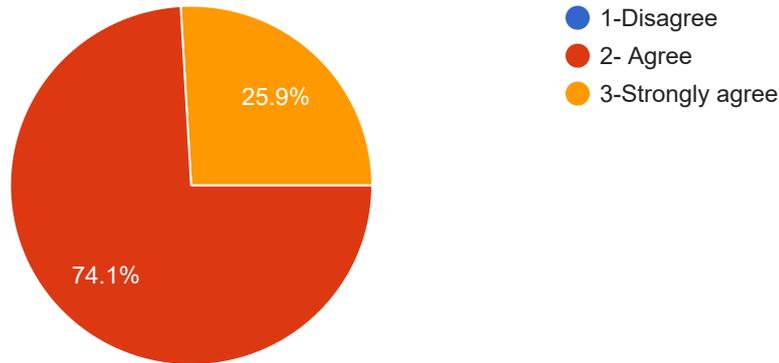

27 responses

I have freedom of adopting ICT enabled techniques of teaching

 Copy

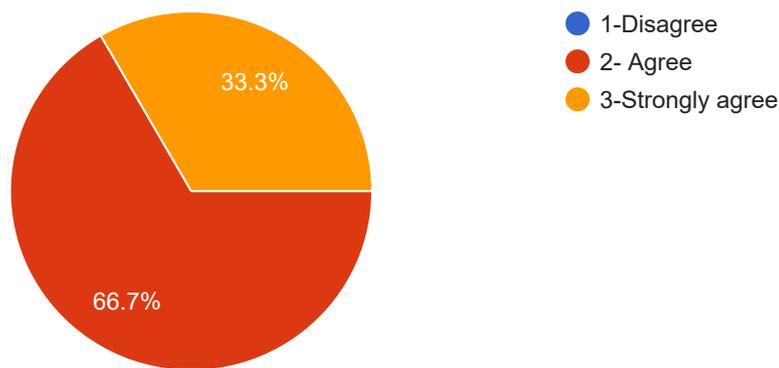

27 responses

The environment in the Department is conducive for teaching and learning.

 Copy

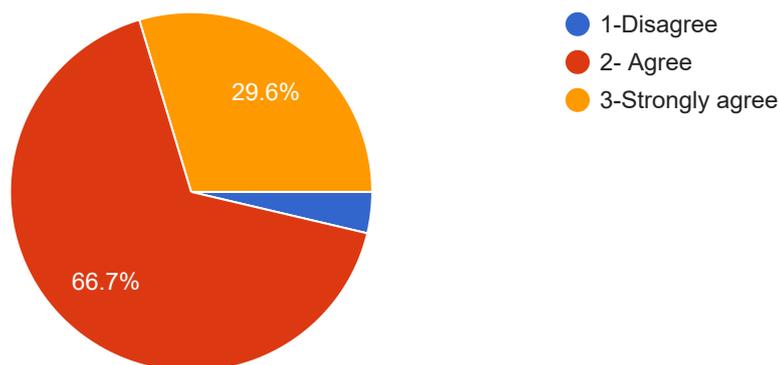

27 responses

The College provides adequate support to faculty members for upgrading their skills and qualifications.

Relevance of curriculum in your job:

20 responses

Marketing

No

Fundamental of managment

Skill development, Personalty development, and focus Sports along with other cultural activities should be prioritised.

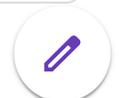

Very effective

When I was joined the college at that time our batch of BBA is first of the college after long period of time, reason no one aware about the BBA course and that why the lowest preference give by the students to BBA.

other reasons is,

A)absence of commerce stream in higher secondary education system of the ramnagar.

B)Poor infrastructure in college is also one major cause.

## Need any change in curriculum and syllabi?

20 responses

No

Yes

No idea

Government is saying about skill development programmes are introduced in various Schools and Colleges but their applicability is not satisfactory . Take steps to solve this issue so that these things will get visible to everyone.

No it's fine...

A)Need to develop the infrastructure related to course.

B) Marketing the course.

Yes. Courses must be redesigned. We must include all the new topics that are emerging such as genetic engineering, gene editing, C4 photosythesitic engineering, sustainability, sustainable development goals. Genomics, proteomics, epigenetic, and

## Improvements in teaching and learning Process:

20 responses

Yes

Yes Sure

Teach students the research process as it is the need of an hour. Made library attending session for students almost compulsory, that will lead them to learn and explore more books and ultimately the world.

More practical knowledge should be given to students

No need to improve teaching skill because of teachers are highly skilled but resources are not available for the development of pupils.

Yes there is a need,

Teaching learning is good. But can be improved. Traditional and modern methods must be blended.

## Any other suggestion

20 responses

No

Yes

Don't focus only on degree, teach students about how to earn money how to survive day today's life.

Made library attending session for students almost compulsory, that will lead them to learn and explore more books and ultimately the world.

Canteen facility is almost null in this college, no auditorium seen so far , do something for that too, sports materials not upto date., No indoor stadium dor students as sports or physical activity is equally important.

I am sure you will act upon these suggestions , and will not limited to these form only. Thanks for asking for suggestions.

A session should be held for 6th SEM students in which there is discussion on their
