FROM THE PRINCIPAL'S DESK

I am very pleased to place this edition of Annual College Newsletter "Campus News" in the hands of readers. It presents glimpse of various activities held in the college during the academic year 2024-25. Dear Students, Campus News is just like a mirror that reflects various curricular and co-curricular activities carried out to shape and nurture all round personality and development of students of this institution of higher learning.

It is a matter of great pride that students have excelled in academics by achieving good results in University examinations including one position in Science stream besides good performance in Sports, NCC and NSS activities.

Faculty members attended various courses organized by different Universities/Institutes and attended various Conferences, Symposia, Workshops etc. and published papers in Journals of National/International repute. Many students centric Seminars, Symposia, Camps, Awareness Lectures, Debates, Poster making competitions under the aegis of IQAC, Career Counselling Cell, Red Ribbon Club, Science Club, etc. and some outreach activities were also organized under the banner of NSS, NCORD and UBA.

NCC Cadets, NSS volunteers and students participating in sports brought laurels to the institution by clinching prizes at the National/Inter-University levels. This year we collaborated with various Govt. agencies, NGOs and some literary writers etc. for successful completion of Summer Internship program for Sem-V students (a mandatory academic activity under NEP-2020) to provide them valuable practical experience and chance to explore career path for achieving academic distinction.

The Editorial Board under the Convenorship of Prof. Sumita Rao has done a commendable job for the accomplishment of the annual edition of the Newsletter well in time. I sincerely hope that present issue provides a glimpse of various initiatives/ activities undertaken during the year and paves way for innovative activities in future.

Greetings to all readers!
